

2018 Annual Appeal

Caring, Connecting and Transforming Lives

The Mission

Episcopal Ministries of Long Island responds to Christ's call to care for our neighbors as if directly for Christ, through establishing, nurturing and funding parish-based services and community partnerships which affirm the dignity of all people.

Thank you for your support!

ANNUAL APPEAL TIMELINE

Display posters in a visible location as soon as possible to begin building awareness.

March 4th: Announce the Episcopal Ministries Annual Appeal

- Ensure that posters have been displayed
- Distribute brochures and envelopes
- Include announcement in your bulletin (it will be included in the diocesan insert)
- Introduce the Annual Appeal and ask your congregation to be prepared to make a commitment (a pledge or a gift) to the Appeal on the following Sunday

March 11th: Commitment Sunday

- Encourage parishioners to make a gift or a pledge to the Appeal
- Share a message from Bishop Provenzano with your congregation
- Distribute additional brochures or envelopes if necessary
- Take up a special collection
- Include bulletin announcement

March 18th: Follow up

- Take up a special collection again or make a basket available for Appeal envelopes.
- Please mail the unopened envelopes along with the parish report form to Episcopal Ministries of L.I. as soon as possible so that we can acknowledge the donors in a timely manner and apply payments appropriately to pledges.

Additional Resources will be emailed to you.

Bulletin Announcement:

An announcement about the Annual Appeal will be included in the bulletin insert you receive from the diocesan communications office. We will also provide an announcement electronically in case you do not use the diocesan insert and wish to include it in your parish bulletin or e-newsletter.

Message from the Bishop:

Bishop Provenzano will provide a written message – not a video message – to share with your congregation on Commitment Sunday. We have found that a written message is easier to incorporate into the service.

Talking Points:

We will provide you with bullet points that outline what we believe are the important features of EMLI and the most compelling reasons to give to the Annual Appeal. It is for your reference if you wish to use it.

Please Note:

Envelopes:

We are **not** using Business Reply Envelopes. The envelopes were designed to be collected by the parish and mailed together in a batch to EMLI. This was done for a couple reasons. When a congregation takes up a special collection, it creates a greater incentive to respond right away. An envelope that is taken home to be mailed at some later date can be forgotten. Also, when the envelopes are mailed together this way, it ensures that we are able to attribute each gift to the appropriate parish.

Pledges:

Often parishioners will choose to pledge and we encourage that. Pledges can be paid out over 10 months. It can be done through automatic payments with a credit card or we will mail monthly reminders if paying by check.

Parish Goals:

Parish goals have been set at 2.5% of pledge and plate income from fiscal 2016. We have found this to be an effective benchmark. In the past, many parishes exceeded this goal.

GIFT PROCESSING AND TRANSMITTAL INSTRUCTIONS:

- 1) Enclose the unopened envelopes, donation summary report, and any loose checks (checks not in an envelope) in a larger envelope. Please do not open the envelopes because it can create some confusion if a donation is separated from the envelope. We want to acknowledge people properly for their gift.
- 2) Loose bills (cash not submitted in the appeal envelope by the donor) should be deposited into your parish account, and a check written for that amount to “Episcopal Ministries of Long Island”.
- 3) Mail your parish envelope within a week after the collection. We want to thank the donor in a timely manner. If weeks go by, the donor may feel as if their gift is not appreciated. It can also create a problem for their own personal accounting.

EMLI GIFT PROCESSING PROCEDURES

- 1) The gift will be deposited and the information added to the parish and individual-giving records.
- 2) All donors will receive a letter of thanks from the Bishop.
- 3) Parishioners who make a pledge to the Annual Appeal and spread their gift out over a certain number of payments will receive an acknowledgement letter explaining how we handle pledging. If paying by check, they will receive monthly reminders with a business reply envelope. Credit card pledges will be charged monthly.
