

ENLIVENING MINISTRIES CHANGING LIVES

**Investing in ministry is not just a simple act;
it's a catalyst for positive change in your community.**

Our ministry partners are pillars in their communities - leveraging deep community connections, fostering strategic partnerships, and mobilizing the unwavering commitment of volunteers to create programs that not only touch lives, but change them.

Episcopal Ministries of Long Island (EMLI) takes pride in our role as a driving force behind these remarkable initiatives – and you're invited to make that driving force even more powerful.

When you choose to sponsor EMLI, your generosity becomes the lifeblood of these transformative ministries. With your sponsorship, we can amplify our efforts, reach deeper into the heart of our communities, and unlock even more potential for meaningful change.

We hope you'll join us.

Please direct any questions to Executive Director, Mary Beth Welsh, at mbwelsh@dioceseli.org.

PLATINUM SPONSORSHIP

Because ministries in the EMLI network are experts at leveraging community resources and cultivating volunteer networks, your generosity has a deep and lasting impact.

For example, your \$10,000 investment as a Platinum sponsor can fund a parish-based Summer Day Camp, providing affordable childcare for working parents during the summer. EMLI-supported summer camps include museum visits, robotics activities, creative art education, and breakfast and lunch for all campers.

As a Platinum sponsor:

- Your logo, a 2-3 sentence description of your company, and a QR code to your website will be prominently featured during the event and in the program
- Your logo, a 2-3 sentence description, and a link to your website will be featured on EMLI's Celebration of Ministry webpage
- You will receive two complimentary tables at the event for 20 guests
- You will be recognized during the opening remarks of the event by the Rt. Rev. Lawrence Provenzano, Bishop of Long Island
- *If you're an individual sponsor, we will work with you to discuss how you'd like your transformative generosity to be acknowledged during the event and beyond.*

GOLD SPONSORSHIP

For your \$5,000 investment as a Gold Sponsor, EMLI can finance a new community garden needing tools, supplies, and seeds. Every garden in our ministry network provides free or affordable produce to both neighbors and local food pantries, ensuring that all community members have access to fresh, locally grown produce. Because of the deep expertise of gardeners in our network, we connect ministry partners for training opportunities and best practice sharing, increasing garden yield year after year.

As a Gold Sponsor:

As a Silver sponsor:

- Your logo will be featured during the event and included in the event program
- Your logo and a link to your website will be featured on EMLI's Celebration of Ministry webpage

BRONZE SPONSORSHIP

For your \$1,000 investment as a Bronze Sponsor, one of our many food pantries and community refrigerators can stay stocked for up to one month. While all our food ministry partners have relationships with local businesses, grocery stores, and restaurants to keep them stocked, the flux of food donations ebbs and flows, while the needs of our food insecure neighbors remain consistent. Your \$1,000 sponsorship will keep pantries stocked when donations are light.

As a Bronze sponsor:

- Your institution's name will be listed during the event and will appear in the event program
