

Help bring our faith FROM PEW TO PUBLIC SQUARE

WHO WE ARE

Episcopal Ministries of Long Island supports a network of parish-based ministries across the Diocese of Long Island. We provide the essential funding and mentorship that helps churches like yours launch new ministry endeavors that serve God and our neighbor.

Funding requests for new ministry grants continue to increase, and we need your help to provide more opportunities for our Episcopal parishes to bring dignity and love to God's people across Brooklyn, Queens, Nassau, and Suffolk counties.

100% of your donation to EMLI – every dollar – is given directly to a parish ministry in need of essential support.
