WHO WE ARE

Episcopal Ministries of Long Island supports a diocesan-wide network of parish-based ministries by providing the essential funding and mentorship that help churches launch and sustain ministry endeavors that serve God and our neighbor.

Through grant funding, training, and collaboration, EMLI supports a growing network of parish-based programs addressing urgent needs like food insecurity, youth enrichment, isolation, migrant assistance, and more.

“It’s like the Good Book says: feed the hungry, clothe the naked. We believe it’s our duty to do God’s work by doing the things he asks us to do.”

Andrew Barry Renee

Parishioner, St. Barnabas Church, Brooklyn

At the **Micah Breakfast Ministry** at St Barnabas in Brooklyn, volunteers wake up as early as 4:00 am every Saturday to cook a wholesome breakfast for their neighbors in need.

At St. Paul’s, Patchogue, **Ministry Mondays** are the busiest day of the year. With EMLI funding, they’ve been able to expand the pantry program to supplement their hot meals, thrift shop, on-site barber, and more.
