### Announcement for Sundays (Text)

*"Good morning. Before we continue, I just want to share something briefly.*

*Many of you may not know Episcopal Ministries of Long Island, but you've probably seen their work. They're the diocesan organization that funds parish ministries across Long Island and New York City: food pantries, after-school programs, community gardens, immigrant support. Churches doing real, tangible good for their neighbors — often because Episcopal Ministries helped make it possible.*

*Their annual appeal is open now, and we'd love for you to consider a gift. Envelopes are available [at the door / in the pew], or you can visit [episcopalministries.org](http://episcopalministries.org).*

*It's good work, and we're glad to support it. Thanks everyone!"*
